Sagamore Dahlia Gardens

Wholesale prices for the Trade - Spring 1943

Subject to change without notice. This list makes void all previous prices.

EASTVALE FARMS have now combined the entire stock of SAGAMORE DAHLIA GARDENS with their stock, thereby giving us, we believe, the largest number of kinds of dahlias grown by any one grower.

Owing to war time conditions, shortage of labor and other conditions, we cannot at this time give you full advantage of this great combination but shall do what we can until the war is won.

All dahlias are field grown, of good quality and guaranteed as described. All prices are F. O. B. Express Middleboro, Mass. If parcel post is desired, be sure to include enough money for postage, any over will have extra roots added to the order. 25% deposit will hold order, balance before shipment, or balance C. O. D.

We pack free and with great care and can ship at any time, but we cannot be responsible for freezing or damage in transit, nor will we be responsible in any case for an amount greater than purchase price. Owing to shortage of labor do not expect service as usual.

ALL ORDERS are subject to above conditions, stock on hand and prior sales. W. D. Deane, Proprietor.

PRICES given are per each; per each in lots from 3 to 24 and per 100. 25 of a kind at the 100 rate. Order early while stocks are complete. Write for prices on orders over \$25.00
